

23rd May 2020

Dear Parents/Carers,

Assalamu Alaikum wa Rahmatullah

I hope this email will reach you in good health and firm Imaan. I wish you and your family 'Eid Mubarak'. We have been passing a very difficult time due to COVID 19. As you may know, the Government has announced to reopen schools for Year-1 and Year-6 from the **1st June 2020**. We were fully prepared to reopen the school.

However, we have carried out a survey to find out the opinions of our Year-1 and Year-6 Parents. Almost all the parents were in disagreement to send their children back to school on the above-mentioned date as they think it would be too risky for the students to attend school now.

We respect the parents' opinion and strongly believe that we shouldn't start school before Monday 15th June 2020. Inshallah, by this time the risk will be reduced. Therefore, All Falah will remain closed until further notice. We deeply regret the children have to stay away from school for such a long period of time but their health and safety is paramount in our decision making.

Jazakumullahu Khair
